Health Department
Contract Is Renewed

Renewal of the contract for public
health services with the Los
Angeles county health department
was authorized last week by the
Torrance city council. The agreement
covers a three-year period but
carries a clause permitting either
party to terminate the contract
at any time upon 30 days notice.
City of Torrance will pay the
county health department \$100
per month, according to the agree-
ment, which is the same rate stipu-
lated in the old contract which
expired June 30, 1933.

PRIORITY OF HORSES
ON ROADS UPHELD

LOS ANGELES. (U.P.)—Capt. J.
H. Hanby asked that an ordinance
be passed prohibiting horses on
county roads.
"Riding of saddle horses along
the coast highway in the Malibu
district, particularly at night, con-
stitutes a menace to traffic," he
said.
"Horses were here first," retorted
Superintendent John R. Quinn. "The
highways originally were built for
them and man."
The board of supervisors denied
the request.

Veterans' Relief Association

On July 19, the Veterans' Relief Association of Torrance is completing a year of industry and worth-while endeavor, unique in the history of the community. Records of the association show that 997 families have registered for work, representing 3974 persons in the families.
It has handled 1,888,904 pounds of produce, 17,419 gallons of milk, 22,150 loaves of bread, 19,510 pounds of fish, 250,665 pounds of oranges and has used 9,908 gallons of gasoline and 400 gallons of oil in harvesting and transporting food supplies.
Fourteen thousand No. 2 1/2 cans of tomatoes, peaches, pears and apples have been preserved in its own cannery, made possible by the generous help of the municipal government, and all distributed to its membership and the indigent needy.
Much of the produce has been brought from long distances. Apples from Beaumont, potatoes from Stockton, grapes, oranges and sweet potatoes from Delano.
The association has received from the City Employees' Association, \$1,497.42; from the Torrance Community Service Association, \$487.81, and from various other donations, \$121.72. It has earned for itself a total of \$182.22, and has served 935 noon lunches at a cost of about \$186.80.
A large measure of the association's success has been due to the faithful ladies in the organization. They have worked in the cannery and the kitchen, done hundreds of hours of beautiful quilting, sponsored card parties and dances, worked in the office most efficiently and have been examples of industry all along the firing line.
The members have worked hard, learned many lessons and are proud of all that they have been able to do. With malice towards none and with a spirit of co-operation in their hearts, the members carry on their second year of effort.

STORY 1

rescue party and finally in spite of McMurray's advice and warnings started off alone on foot to follow the others. His lifeless body was found about five miles from the car when the party sent in search of Carevich and McMurray arrived at the car in the early morning on Monday.
McMurray who is quite advanced in years, suffered severe burns about the face, but as he was supplied with water during his stay in the marooned car, was able to return home with the other survivors on Tuesday, following the conclusion of the coroner's inquest held at Riverside to inquire into the death of Carevich. He is still weak, ill and shaken from the effects of his terrible experience.
The body of Carevich was taken to Njord's Chapel of the Flowers, Redondo Beach, today, and funeral services will be held at St. Anthony's Catholic church, Los Angeles, tomorrow, with interment to follow at Calvary cemetery. Carevich was the proprietor of a market at 601 Garnet street, Redondo, and the trip which ended so tragically for him was his first vacation in 20 years. He is survived by his widow, Mrs. Christine Carevich, and one son, Steven, aged 14 years.
Mrs. Carevich conducted a vegetable market at the Safeway, formerly Seeley's store, on Cabrillo avenue about six years ago.

Bessone Is Held Under New Warrant

Domine Bessone, freed recently of charges of manslaughter and driving an automobile while under the influence of liquor, in connection with the traffic accident which took the lives of two children of Andrew Randazzo, was re-arrested July 14 on a warrant charging manslaughter in the death of Mrs. Randazzo who died of burns received in the same accident after several weeks of suffering.
Bessone was arraigned before Judge Kincaid, of division 4, and was held in bail of \$1000, being committed to the county jail to await trial.

WEDDING

John Aruff, of Torrance, and Sarah Friedman, of Los Angeles, were married Tuesday, July 18, by Judge John Dennis at the local justice court.
